The Federal Advisory Committee Act requires that notices of meetings of advisory committees be announced in the Federal Register 15 days prior to the meeting date. This notice of the teleconference meeting of the HSAC is published in the Federal Register with less than 15 days' due to the complexity of the issue, the task force was not able to complete its report within this aggressive time line in time for deliver to the HSAC at its September 24-25 meeting. Waiting for the full 15 day notice period to conduct the teleconference will delay the discussion of the report to a period of time that will prevent the Secretary from meeting with the HSAC to review the report due to her travel schedule. In order to not delay receipt of the recommendations from the HSAC this teleconference is being

announced with less than 15 days' notice. Since this is a meeting by teleconference, members of the public do not have to travel to attend, and the task force report is available to the public prior to the meeting for review and comment by members of the public in accordance with procedures provided above.

Information on Services for Individuals with Disabilities: For information on facilities or services for individuals with disabilities, or to request special assistance during the teleconference, contact Mike Miron (202) 447-3135.
